Hello everyone! Miss me? Not really? Hmmmmm. Well I miss you!

Anyhow, the past month has found things chugging along quite nicely at CUC> As Lent began we were able to get a good handle on our worship services and adult/children programs. The Lenten newsletter went out and, as per usual, we saw an increase in attendance following its delivery. We hosted the World Day of Prayer Service with about 90 people attending. We also organized and began the Lenten Lunch series this past week, where we also had a higher than usual attendance (mind you the bishop was there and he's a great draw!).

I am grateful to all those who helped with this past Sunday's worship and annual meeting. I think it went quite well and didn't go too long considering we had a lot to cover.

This time of year also marks one of my favourite seaston...the season of the return of the snow birds. This is the time of year people start heading home to us and it's a wonderful feeling seeing so many loved faces reclaim their spots in our pews.

In other news we have been informed that Wesley United has sold their building to the YWCA and will continue to worship there until the end of June 2018. At that point they plan to close the building with the majority of folk coming to Calvary. This will be a difficult time for them as decades of memories and spiritual moments have been shared in that sanctuary. As we hear more it will likely be a wise idea to connect with them and ensure a warm welcome will be offered here at CUC.

I also have sent out an email asking folks to offer some time and leadership to the Affirming Process that we approved in December. Currently we have 4 people willing to take on this role, not including staff so I think we will be able to get the ball rolling here soon.

I think that is all I know for now but if you have any questions just have Alison text me.

Respectfully submitted, Rev. Nora Vedress

### Alison

While things are a little busier for me - additional planning for confirmation, Easter vigil and more Rendez-vous prep - it was a quiet month for youth. A highlight includes Band Night which was a roaring good time. We celebrated the success of our hit song, This Little Light of Mine, over some greasy cheese pizza and juice. Once again, the evening spiritual youth group was the most meaningful for me and very arguably for the youth as well. We made "body map," where we symbolized feelings in our body on paper. We were taking the first steps toward trusting our inner voice and inner knowing and we discussed "[God] works in us and others by the Spirit".

Another neat thing this last month was helping to start a community LGBTQ youth group called Rainbow Coffee - the kickoff is tomorrow night at the library. This was started by 4 people from our Calvary community. I also did an LGBTQ workshop for a congregation member at her school for 11 youth.

For me personally the past weeks have been a great month digging into the discernment process and thinking about camp and outling the summer.
